How Virtual Piano instantly turns your Computer Keyboard into the world's most remarkable musical

instrument. When you visit VirtualPiano.net your computer's keyboard keys (from "1" to "m") turn into piano keys. Press "Key Assist" once to see your keyboard keys labelled on top of the piano keys. Press "Key Assist" twice to see all the Piano Key Labels and associated octaves. To access the black keys (Sharp notes), hold shift on your keyboard and press the keys labelled on Virtual Piano.

CREATING MUSIC SHEETS: If you produce a music sheet that sounds superb, you can

SIMULTANEOUS PRESS: Try to keep letters in [] either all capital or all lower case but not a

MOBILE & TABLET: Black and White keys can now be pressed together on touch devices but

1. Select a song using the pia. the Music 2. Letters in the music sheets re computer keybo You can press the piano keys directly on the device screen to play a song. The advantage is that you can press the black & white keys together at the same time. You will see a smaller number of keys, depending on the size of your device. But worry not, as there is a scroll bar under the keys enabling you to play all the octaves of a grand piano on your mobile device. Keep the complete range of sounds from a grand classical piano and other signature world instruments In Your Pocket Ready to go even further? Learn how to create / edit your own music sheets MUSIC SHEET PRODUCER PRESS A FEW KEYS, EDIT THEM AND AUTO-PLAY TO TEST

Music Sheet Producer

Navigate to the music sheet producer section using the grey arrow on the right hand side of the Virtual Piano Keyboard Display. Here you can create your own music sheet or edit an existing one.

Create, Edit & Refine

Press the pencil icon to open the sheet editor and make changes to your music sheet or to paste in an existing sheet.

Test it via Auto-Play

Test how your sheet sounds by using the Auto Play button and start again using the Restart button. Pause the Auto Play when you want to make an edit to the music sheet.

Share it with the world

When your music sheet has been perfected, use the Copy icon in the editing box to copy the music sheet letters. Click on 'Submit' to share it with the Virtual Piano community using the Submit Music Sheet form.
